Other Features	
	DCYF Office
	Southwestern Region Boundary
	County Boundary
	Interstate
	US or State Highway

Differences calculated by subtracting the number of removals from the number of foster homes for each ZIP code. Foster home data include open family foster homes licensed by the DES Office of Licensing, Certification and Regulation as of March 29, 2010. Removal data include children in out-of-home care active within the Division of Children, Youth and Families as of March 31, 2010 who were not placed with a relative or guardian.
